JANUARY 11 GENERAL MEETING

Our January meeting included installation of 2022 officers and a discussion of upcoming events. We were pleased to have Paul Davis Restoration representatives with us, Paul Massey and Tara Ritchie who shared great information about restoration after a tragic event. A brochure is on our web site along with minutes from our meeting:

<https://www.hhcivic.org/documents> Also in attendance were representatives from Shepherd Insurance Partner. We learned that Florida has more lawsuits than the rest of the country, in fact, 76% of the U.S. Please attend our meetings to keep our speakers attending and providing this kind of interesting information.

YACHT CLUB

On January 16, approximately 40 members attended the HHYC Biker Theme Party dressed in their biker gear. Due to poor weather, the "LaRue/Porter hosted Dock Party" was moved indoors to the Civic Center. Music by Michael Hirst was enjoyed by all, as was the great food provided by attendees. On January 20, 17 members of the Yacht Club and 2 guests participated in a boating trip/lunch at Riviera Bar and Grill on Alligator Creek, 13 attended by water and 6 by land. The water was calm, the weather warm, and the food was great! Looking forward to the next adventure!
