SIP & PAINT EVENT — APRIL 27

Sip & Paint will return on Saturday, April 27. Look for details in the April Bulletin.

ENVIRONMENTAL COMMITTEE

The Environmental Committee is busy working on its agenda for this year; those updates will be shared as they surface. At present, we have planned the Earth Day April 22 cleanup. We're also planning on 'pop-up' cleanups since we feel that activity just once a year doesn't keep our community as tidy as we'd like! We're also planning on the future maintenance of the Harbour Heights Butterfly Garden. At its inception, the garden received plenty of attention along with plenty of volunteers. However, those volunteers are no longer available; therefore, we're looking for people in our community who enjoy gardening and can give the garden the attention it deserves. Please call HHCA at 941/629-2313 if you'd like to be involved in this project and if you're a "Master Gardener" that would be especially helpful. And if you're not already an Environmental Committee member, please join us. We're meeting at the Civic approximately once a month and our next meeting will be March 13 at 11:30 am.

HHCA EXERCISE
