THANK YOU

Thank you to the House Committee--Al Pike, Jim McBride, Jeff Good and volunteers, Mike Doolittle and Kevin Farnsworth for the Christmas lights on the building! Thank you to Dot LaRue for the donation of the Christmas tree in the front of the building!

JANUARY 11 GENERAL MEETING

At our January General Meeting at 7 pm, Paul Davis of Davis Restorations, will educate us on how to deal with the aftermath of house damage, from the very beginning stages of water intrusion, mold remediation, or fire damage to bringing your home or business back to its original condition. He is an expert to help you recover, reconstruct and restore your property after any damage. We never know when an event will occur to require such services.

YACHT CLUB

The HHYC had a great turnout for our Thanksgiving dinner with about 50 members in attendance. Great food and great company! There will not be a General meeting in December, but the club will be enjoying a cruise on the Calusa through PGI to view the Christmas lights on December 14. Don't forget the LaRue/Porter dock party on January 16 with live music. Dress in your best motorcycle gear and wear your dancing shoes! Also, bring a dish to share. The next General meeting is January 18 at 7 p.m. with the induction of officers. Merry Christmas and Happy New Year!

GARDEN CLUB NEWS

The November meeting included a delightful, informative presentation by Julia Webb, including several varieties of plants and instructions for slitting and grafting. Thank you Julia! The next meeting is Friday, December 17 which will include a PotLuck Christmas luncheon. We have many excellent cooks, so it will be very appetizing. Please bring your own beverage. Meeting will begin at 11:00 a.m. with the luncheon immediately following. A blessed Christmas and a healthy, happy New Year to you from the Garden Club!

WELCOME COMMITTEE

Welcome to new member Katherine Paluska who has also joined our Welcome Committee. She has volunteered to prepare the ID Badges & send out New Welcome Letters.

ENVIRONMENTAL CONSERVANCY NEWS

The Conservancy spoke at our October meeting. Their mission is to acquire and conserve undeveloped natural land parcels in our area neighborhoods to provide a greenspace balance between where nature has lived for decades and where we live today as our population continues to grow at a rapid pace. Their fundraiser is "Walk On The Wild Side", an online auction to support their efforts. Visit www.511auction.com, click on the Auctions tab to search for their event and bid from December 4-11. Please support their efforts.

EXERCISE CLASSES
